

**Leadership capacity to accelerate your most important strategic projects.**

---

### **Executive Talent**

FUSE recruits private sector executives to consider career opportunities in public service, attracting thousands of experienced applicants every year.

### **Expedited Hiring**

FUSE quickly finds the right people, hires them as nonprofit employees, and embeds them in local governments for at least one year.

### **Project Management**

FUSE provides project management support and coaching to ensure our partners achieve project goals and meet community needs.

### **National Experience**

FUSE has managed over 400 projects in 58 cities and counties across 26 states over the past 12 years.

---

**FUSE is a national nonprofit that increases the effectiveness of local governments to build more equitable communities.**
